The Beneficiaries

The Mount Laurel Public Education Fund, Inc. is an independent non-profit corporation formed in 1994. The MLPEF is governed by a Board of Trustees comprised of volunteers from a broad spectrum of the Mount Laurel community. The trustees donate their time, expertise, and resources to broaden support for quality education in the Mount Laurel Public Schools.

Proceeds raised by Fund activities this year will be dedicated to:

- Continuation of after-school clubs and related activities deleted from district's budget due to funding cuts
- Scholarships to students in need of tutoring whose families may find a financial burden.
- Mini-Grants for teachers to support innovative programs

Since its inception, the Fund has raised more than \$800,000 for Mount Laurel's eight elementary schools. This contribution was largely responsible for the district's ability to provide technology, after school activities and STEM programs. Today, our students benefit from hands-on learning in skills that will prepare the workforce of the 21st Century.

Your anticipated participation and continued commitment to the Fund's

goal is greatly appreciated by the true beneficiaries — the children of Mount Laurel Public Schools.
